Order

11/02/2020
(Akil Kureshi, C.J.)

In response to our order dated 04.02.2020, the Agartala Municipal Corporation has filed an affidavit dated 10th February, 2020 in which following declaration has been made:

"2. That, in compliance of the order dated 04.02.2020 passed by the Hon'ble high Court, I humbly submits as follows:

- (i) Presently 3(three) numbers of Water Carrying lorry, 2 (two) numbers of Task Force vehicles being parked at Children Park as temporary arrangement.
- (ii) For development of Children park, a Master Plan is already taken up with Agartala Smart City Project. In this regard Letter of Intent to the bidder has been issued by the Chief Executive Officer, Agartala Smart City Limited.

As soon as project for development of Children Park will start, parking will be discontinued.

3. That, I am personally taking care of the entire issue so that the development of Children Park can be started immediately and the park is properly maintained".

Through this affidavit thus we gather that the arrangement for parking few vehicles of the Corporation at the said garden site is a temporary arrangement and is likely to be discontinued shortly. We also take note of the assurance of the Agartala Municipal Corporation that steps would be taken to ensure proper

development of the said Children Park. While taking measures for development and maintenance of the Park, the respondent-authority shall also take into account the concerns shared by the petitioner through his further affidavit dated 10th February, 2020 alongwith which certain pictures of the site have been produced which undoubtedly represent not a very happy state.

With this observations, petition is disposed of.
